Photo Release Form

This form is for permission to display photos of your child. We like to take pictures of the children playing and doing special activities and then display them in the room and hallway. The children really enjoy looking at pictures of their friends and themselves. This is also a great way to share with parents what their children are doing when they are not here. We would also like to use the pictures in center newsletters and in the elementary school newsletter that is distributed to the parish.

Please indicate below if we may use your child's photograph for the uses mentioned above and return this form.
